SUBJECT : Supergrade Survey for the Office of Communications and the Office of Training.

25X1A

1. Pursuant to your request, the Personnel Office contacted [redacted] who indicated that he was entirely satisfied with the supergrades which had been allotted to him and did not desire to request any change.

2. The Personnel Office also contacted Colonel Baird who indicated that he had certain reorganization in mind and, from his point of view, would prefer to postpone the supergrade survey of his Office for ninety days. Colonel Baird made this same request of me on 31 July and I agreed to the deferment.
